

## About me

My name is Biniyam Legesse. I was born in 1997 G.C. Currently I live in Shashamene.

I'm graduated from Wolaita Sodo University, college of health science with BA degree in Public Health on July 20, 2019 with cumulative GPA of 3.75. My classes have given me a nice understanding about health and related science. Along with the academic knowledge, I have also gained practical experience through clinical and community based practice in different aspects and laboratory works. These trainings have given me ability which will enable me to make a necessary contribution to your organization. This is why I am highly interested to apply at your organization to fully serve and accomplish all duties required by your institution with my professional knowledge and practical skill that I have gained. I have also a three month work experience as a Data collector on the cold chain inventory research and on Covid-19 prevention and control program which programmed by EPHI and Global One Health initiative (Ohio international). I will be happy to provide you further documentation of my background and accomplishments.
